

Another benefit of the clear formulation

SC Insecticide

Biflex[®] Mikron

See the difference when spraying on dark surfaces, like tiles.
Here we have compared Biflex[®] Mikron on black tiles to an SC you might or will likely use inside the house showing deposits from the SC.

200 times the coverage vs an SC formulation

Biflex[®] Mikron Clearly a winner on dark surfaces with its Clear mixing as a Micro Emulsion.
